God the Father as the Creator, God the Son as the Redeemer and God the Holy Spirit as the Sanctifier. They are three persons but one God.

The mystery of the Most Holy Trinity is central to Christian faith and life. We can only know God as revealed by Jesus and the scriptures. Our God is a Triune God and we begin everything in the name of Trinity.

The Story Behind the Feast of Corpus Christi

The Solemnity of the Most Holy Body and Blood of Christ, historically known by its Latin name, Corpus Christi, celebrates the Real Presence of Jesus Christ in the Holy Eucharist – Body, Blood, Soul and Divinity. It is traditionally celebrated on the Thursday following the Solemnity of the Holy Trinity. The feast dates to the Middle Ages and originated with a visionary nun and a Eucharistic miracle.

In 1263 a German priest, Fr. Peter of Prague, made a pilgrimage to Rome. He stopped in Bolsena, Italy, to celebrate Mass at the Church of St. Christina. At the time he was having doubts about Jesus being truly present in the Blessed Sacrament. He was affected by the growing debate among certain theologians who, for the first time in the history of the Church, began introducing doubts about the Body and Blood of Christ being actually present in the consecrated bread and wine. In response to his doubt, when Fr. Peter recited the prayer of consecration as he celebrated the Holy Sacrifice of the Mass, blood started seeping from the consecrated host and onto the altar and corporal.

Fr. Peter reported this miracle to Pope Urban IV, who at the time was nearby in Orvieto. The pope sent delegates to investigate and ordered that the host and blood-stained corporal be brought to Orvieto. The relics were then placed in the Cathedral of Orvieto, where they remain today.

This Eucharistic Miracle confirmed the visions given to St. Juliana of Mont Cornillon in Belgium (1193-1258). St. Juliana was a nun and mystic who had a series of visions in which she was instructed by Our Lord to work to establish a liturgical feast for the Holy Eucharist, to which she had a great devotion.

After many years of trying, she finally convinced the bishop, the future Pope Urban IV, to create the special feast in honor of the Blessed Sacrament where none had existed before. Soon after her death, Pope Urban instituted Corpus Christi for the Universal Church and celebrated it for the first time in Orvieto in 1264, a year after the Eucharistic Miracle in Bolsena. This feast day continues today throughout the world.
