A message from Father Quentin...

God is great...All the time...All the time...God is great. One of the Catholic speakers for youth would use this saying to get the attention and to quiet a crowd so that his message would be heard. It has come to my memory today as I am reading through our bulletin.

The opportunities that we have for activities to enliven our faith are countless. The bulletin is filled with current and upcoming events that are truly a blessing to have available. They can be a great way to experience the Church in a universal sense. I realize that, while we were able to host the marriage enrichment session in our parish, most of these other opportunities involve travel to another place and time out of our life which might be stopping us from going. But we travel and spend time for many different things in our life, why not travel and set aside time for the most important part of our life – our faith.

I would encourage all to find some type of faith enrichment activity you could participate in to enliven your faith.

Welcome to all Visitors!

If you are new to the area and would like to join one of our four parishes, or are visiting and would like or need Sacramental help or any other help during your stay, please notify the office or speak with Fr. Quentin directly. God bless you all!

Faith Minute.....

It's kickoff time! When you hear that you are probably thinking of a football game or the upcoming Super Bowl, which is known as one of the most popular events of our secular culture. However, in addition to crowning a football champion this weekend, it is also time to kick off National Marriage Week! While National Marriage Week does not have the pomp and circumstance that the football game has, perhaps it should. The Super Bowl is a great opportunity to gain insight on how to strive for excellence in our own marriage and tackle whatever comes our way as a team! What if we approached our marriage in the same way these incredible athletes approach this game? To kick off your more intentional marriage, consider attending the Feb 10 – 11 "Living in Love" retreat at Holy Spirit in Overland Park. To sign up or for more info: www.archkck.org/livinginlove
