Assumption of the Blessed Virgin

Masses for the Holy Day of Obligation

Vigil Mass will be held on Wed, Aug 14
6pm St. Joseph

Assumption Day Masses will be held on
Thurs, Aug 15

6:00 pm St. Francis Xavier
7:30 pm St. Teresa

The Assumption refers to the taking up, body and soul, of the Blessed Virgin Mary at the end of her earthly life. In this case the word indicates that she was taken to heaven by a power apart from herself. The Assumption is not recorded in Sacred Scripture, but there are several extant writings including one by St. Melito of Sardis, who died in the second century. Sometimes called the "Dormition," or "falling asleep" of our Lady, the doctrine has been acknowledged by the faithful both in the east and in the west since the earliest times. It has been the subject of many of the Fathers and Doctors of the Church, gives its name to numerous churches in their dedication, and is celebrated liturgically on August 15th. On 1 November, A.D. 1950, Pope Pius XII declared: "We pronounce, define, and declare it to be a divinely revealed dogma: that the Immaculate Mother of God, the ever Virgin Mary, having completed the course of her earthly life, was assumed body and soul into heavenly glory."

The course on discernment using the book by Fr. Michael Scanlan - **What Does GOD Want?** to help you prayerfully answer tough life questions continues this week on Monday at 7pm at St. Francis Xavier parish hall.

Together we will learn the tools we need to overcome our doubts and make wise choices all in accordance with God's will.

Books are provided and the study will be led by John Beyer. All are welcome to attend.

Faith Minute....

Do you recall the marriage promise that
"I promise to be true to you in good times and bad" ?

We never know when the "bad times" will come, but like Jesus reminds us in this weekend's Gospel, we can use the "good times" to get prepared!

- Learn to describe and share feelings, so that when difficult situations arise, you can share the accompanying feelings in a clear and comfortable manner.
- Practice forgiveness. Having a good process in place to ask and grant forgiveness not only works through the problem but gives you deeper insight into your spouse and confidence you can face any problem.
- Learn what makes your spouse feel loved, cherished, and respected. This way, when you are short on time and energy, you can focus on just those things that mean the most to your spouse.

You can learn all these at Every Day in Love!
