Faith Minute.....

The month of November is the month set aside to pray for all souls. One way to do this is to visit a cemetery.

Cemeteries are often-times depicted in movies as spooky, scary or haunted places. This is not the case. Cemeteries are a place of prayer. A place to pray for the souls of the deceased, even if you have no one buried there.

Cemeteries are a wonderful blessing for those still living. They are a way to encounter a life that was lived and visually see names, dates, young, old, military and sometimes family lineage.

St. Monica, the mother of St. Augustine, was said to go with friends for picnics at the cemetery. What a wonderful way to celebrate a life and teach her family that a cemetery is a beautiful place to pray.

This month, we should also offer a 'thank you' to all the workers that upkeep the cemeteries. Thank you for maintaining a beautiful place to pray.

So, you are asked, "When was the last time you were in a cemetery outside of a burial?"

Your challenge and encouragement this month and moving forward is to go and visit a cemetery and pray for all those souls. You might even place small remembrances at a loved one's grave or plant special flowers if the cemetery allows. Take time to see just how wonderful a cemetery can be and then return, as often as you get a chance.

Eternal rest grant unto them,
 O Lord, and let perpetual light
 shine upon them. Amen.

Please pray for the following:

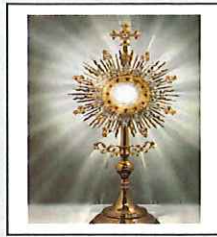

- + For our Holy Father, Pope Leo; Archbishop McKnight; Fr. Rhodes and all religious that serve us.
- + For Taylor Bahr & all young people discerning their called vocation.
- + For the Holy Spirit to move in our lives and parishes.
- + For the end of abortion and for peace in our world.
- + For all our faithful departed, those that will die this day and for all the souls in purgatory.

Welcome to all our visitors. If you would like to join one of our parishes, or need anything during your stay, please notify the office or Fr. Rhodes directly. God bless you all!
